

# Partners for Wilderness

THE WILDERNESS CENTER

Do you have a life goal or company mission that involves supporting conservation, education, or community? Do you want to affect how The Wilderness Center positively impacts the lives of thousands of children and adults in our region? Do you want to help counteract your environmental impact by donating to a cause that leads to more resilient ecosystems?

Join us as a Partner for Wilderness. All partnerships/sponsorships are accompanied by specific levels of recognition, impact, and engagement opportunities. We'll start with a one-on-one meeting/tour with the Development Coordinator to discuss the impact and results of your program support.

## When you become a Partner for Wilderness, you support:

- **3,380 Acres** protected through ownership or conservation easements
- 18,000 Acres managed through our **Sustainable Forestry Program**
- **Water quality** in the Sugarcreek Watershed and the upper portion of the Killbuck Creek.
- Ohio's first Natural Burial Site, **Foxfield Preserve**, which has become an industry leader in the country.

- **31,014 students** of all ages impacted since 2018
- 385 Volunteer Naturalists trained to serve in **31 communities** to educate and advocate for conservation.
- 200 schools, community organizations, Scout groups, and educational partners with **affordable programming** aligned with **state standards** and curriculum.

- 12 miles of hiking trails are **free and open to the public** year-round which see an estimated 40,000 visitors annually
- Average 1,500 visitors per month to our Nature Center for **hands-on learning** and exploration.
- 6 clubs that are open to the **community** and offer opportunities for greater engagement and enrichment.

To partner or for questions, email [Tiffany@WildernessCenter.org](mailto:Tiffany@WildernessCenter.org) or call 330-359-5235
