

AN EVENING OF ENCHANTMENT

The Wilderness Center is gearing up for the 2022 Enchanted Forest! Visitors (between 400 and 500 per night) will meet costumed volunteers such as Bat, Spider, Owl, and Possum as they are escorted along our pumpkin-lit trails. These friendly characters will sing, tell jokes and share stories of life in the woodlands. The experience is a fun, safe event for families. The educational focus of the evening is on the interconnectedness and importance of nocturnal species.

Key areas of impact:

- biology/ecology education
- introduces conservation at an early age in a fun, approachable manner
- encourages healthy relationships with nature
- presents concepts on how to safely enjoy the outdoors and respect wildlife
- promotes family fun and togetherness through interactive play
